U.S. Patent Application Serial Number 10/743,944**

Examiner Unelus:

As discussed during our telephone conversation from earlier today, enclosed herein are our proposed amendments to the claims in the above-referenced application, which we believe address the multiple dependency issues raised by claims 3, 7-8 and 14. Please charge the fees associated with new dependent claims 27-32 to our Deposit Account No. 01-2300, referencing Attorney Docket No. 107156-00220. If there are further amendments which you believe are necessary in view of the multiple dependency issues raised by claims 3, 7-8 and 14, please contact us at your earliest convenience.
